

Moy Wind Farm

Eneco, a leading renewable energy company, is about to commence construction of a 20-turbine, 60MW wind farm on the Moy Estate.

While Eneco has significant expertise in building and operating wind farms, we appreciate every location is different and we would value your thoughts as to how we can keep disruption to a minimum.

To help us achieve this, we are organising a series of meetings during which we will present project designs and timescales, as well as introducing the team on the ground who will be your main point of contact going forward.

Details of the events are as follows – we hope to see you there:

Wednesday 2nd April

12.30pm to 8pm: Farr Community Hall, Inverarnie Park, IV2 6AX

Thursday 3rd April

12.30pm to 8pm: Funtack Room, Strathdearn Hall, Tomatin

Wednesday 9th April

5.30pm to 8.30pm: the Daviot Hall

Any queries, please get in touch

Morgan Houtmeyers

Moy Wind Farm Project Manager

Tel: 07545 111490 Email: moy@eneco.com
